Professional Summary

As an ambitious undergraduate student at SLIIT University, I am passionate about technology and digital innovation. My academic journey is complemented by hands-on experience in IT-related Projects, where I have honored my skills in a professional setting.

Work Experience

Freelance Web Developer

January 2024

Self-Employed, Remote

- Designed and deployed responsive websites for small businesses using MUI, MERN, and Vite.
- Optimized website performance.
- Better UI/UX performance
- Integrated RESTful APIs and Google Maps API into client websites, enabling real-time location-based features.

Freelance Graphic Designer

June 2022

MSI, Remote

- Designed engaging social media posts for platforms including Instagram, Twitter, and LinkedIn.
- Created visually cohesive graphics using Figma and Adobe Creative Suite, aligning with MSI's brand identity and marketing goals.
- Optimized designs for mobile and desktop display, ensuring cross-platform compatibility and accessibility.

Social Media Marketing Intern

Apr 2022- Sep 2022

iPLAY.LK, Remote

- Crafted engaging social media content for platforms such as Instagram, Twitter, and Facebook to boost brand awareness and user engagement.
- Developed visually appealing graphics using tools like Canva and Adobe Creative Suite, ensuring alignment with iPLAY.LK's brand identity and marketing objectives.
- Optimized content for various platforms, focusing on mobile and desktop compatibility to enhance accessibility and user experience.

IT Assistant

Jan 2018 - Present

New City Food Corner, Colombo 10

- Managed and maintained hardware systems, including point-of-sale devices, ensuring optimal performance and minimal operational disruptions.
- Configured and supported mobile devices for staff use, enhancing mobility and efficiency in restaurant operations.
- Oversaw networking infrastructure, troubleshooting connectivity issues and ensuring reliable internet access for business systems and customer Wi-Fi.
- Installed and monitored CCTV systems, ensuring security footage was properly recorded and accessible for safety compliance.
- Implemented and managed data backup processes, safeguarding critical business data with regular backups and secure storage solutions.
